Frequently Asked Questions

1. What sets FWD SmartStart apart?

FWD SmartStart is a regular-pay investment-linked product that can help you start your investment journey. It's an affordable and accessible plan that has a Fee Reinvestment benefit which will provide additional units to the policy upon reaching specific policy years. It will be equivalent to 200% of the total Policy Fees that you have paid for. Also, it offers Guaranteed Milestone Increase, so you may increase your Coverage Amount without having to satisfy any medical requirements.

FWD SmartStart does not have an upfront premium charge, but has a monthly Policy Fees, which would mean that your investment has more potential of growing as we do not deduct the total fees before investing.

2. How long is the insurance protection provided by FWD SmartStart?

FWD SmartStart covers an insured person until age 100. The insurance protection will continue for as long as the account value is sufficient to pay the policy charges.

3. Who can avail or purchase FWD SmartStart? Who can be covered by it?

Any individual who is 18 years old up to 99 years old can purchase FWD SmartStart as the policy owner. Individuals with at least 15 days old up to 75 years old can avail the SmartStart variant, while individuals with ages 15 days old to 65 years old can be insured under the SmartStart Lite version of product.

4. What are the benefits provided by FWD SmartStart?

If you avail of FWD SmartStart, you will enjoy the following benefits:

• **Death Benefit** – If in the unfortunate instance that the insured dies, the beneficiaries will receive the Death Benefit. You can choose from the two Death Benefit options at the time of application.

1. Level Death Benefit is the higher of (i) Sum Assured amount plus 125% of any Top-Up Premiums paid less 125% of any Partial Withdrawals, or (ii) 105% of Total Account Value.
2. Increasing Death Benefit is the higher of (i) Sum Assured amount plus 125% of any Top-Up Premiums paid less 125% of any Partial Withdrawals plus Total Account Value, or (ii) 105% of Total Account Value.

Frequently Asked Questions

4. What are the benefits provided by FWD SmartStart?

- **Account Value** – potentially grows your wealth as a portion of the premiums you pay is invested in your choice of FWD’s professionally managed funds. The account value of your policy changes depending on the performance of the underlying fund(s).
- **Guaranteed Milestone Increase** - This additional coverage will help increase your protection when you stay invested with us until the insured’s next milestone and before the insured reaches age 65. We’ll give the insured a one-time, guaranteed 20% increase in sum assured (capped at Php 2M), with no required underwriting.
- **Fee Reinvestment Benefit** – Extra units that will be credited to your policy. 200% of the total policy fees will be credited to the account value based on the following schedule:

End of Policy Year	Fee Reinvestment Benefit
10	5% of the total policy fees
15	10% of the total policy fees
20	15% of the total policy fees
25	20% of the total policy fees
30	25% of the total policy fees
35	25% of the total policy fees
40	100% of the total policy fees

- **Accidental Death Benefit** – if the cause of death is due to an accident, the beneficiaries will receive an extra cash benefit in addition to the Death Benefit. If the death happens to be on a Public Holiday in the Philippines, this benefit amount is tripled. This benefit is pre-attached to your policy.
- **Waiver of Premium** – all future premiums will be waived if the insured is permanently disabled or is diagnosed with one of the 42 critical illnesses or if the owner (different from the insured person) dies before their 70th birthday. This benefit is pre-attached to your policy.
- **Critical Illness Coverage**– if the insured person is diagnosed with one of the covered major or minor critical illnesses, the insured will receive the designated benefit amount. HealthPro Lite is pre-attached to the SmartStart Lite variant for age 0-50 years old. This may be added in SmartStart for 0-65 yrs. old and in SmartStart Lite variant ages 51-65 yrs. old.

Frequently Asked Questions

5. What are the milestones and requirements needed to avail the Guaranteed Milestone Increase?

Here are the milestones covered and the corresponding proof needed for the insured:

6. Can FWD SmartStart provide additional benefits?

Yes! You can boost your protection with these add-ons:

- **Critical Illness Coverage (HealthPro/HealthPro Lite)** – if the insured person is diagnosed with one of the covered major or minor critical illnesses, the insured will receive the designated benefit amount. HealthPro Lite is pre-attached to the Lite variant for age 0-50 years old. This may be added to the Standard variant and Lite variant for age 51-65.
- **Life Insurance (LifePro)** – additional Benefit amount is paid if the insured person dies or suffers a terminal illness.
- **Hospital Cash Benefit (RecoveryPro)** – if the insured person is hospitalized for at least three days, we will pay an amount per day of hospitalization.

7. What are the charges in this product?

The charges for FWD SmartStart are the following:

- **Policy Fee** - This fee works like a subscription charge where it is deducted monthly from the account value with every basic premiums payment made. It is charged for the first four years of the policy.
- **Premium holiday charge** – This charge will be deducted from your account value for any missed basic premium payment after the grace period. It is applicable for the first seven years of the policy.
- **Administration charge** – This is used to cover administration expenses to help maintain your policy.

Frequently Asked Questions

- **Surrender charge** – Should you make any withdrawals, the surrender charge will be deducted from the total amount that you have withdrawn. It is applicable for the first seven years of the policy.
- **Fund management charge** – This charge will be used to cover the expenses related to maintaining your investment. This is already incorporated in the computation of your account value.
- **Insurance charge** – This charge will be deducted every month from your account value to support your life insurance coverage.

8. Will all the charges in the policy be returned in the Fee Reinvestment Benefit?

Not all charges, only the Policy Fee will be returned to the customer as additional units to the policy. Total units to be added to the policy is equivalent to 200% of the total Policy Fees.

9. Why should I invest in this product?

If you want to start investing with an affordable premium with a long-term goal, but does not have the expertise to manage it, FWD SmartStart is an ideal product for you as this product rewards you just by keeping your investment intact by returning the Policy Fees.

10. Can I add more money to my plan to maximize my investment?

Yes. For as low as Php 5,000 you can increase your account value by purchasing units via top-up. When you top up on your policy, your Death Benefit also increases by 125% of the top-up amount. Top-up transactions are subject to a 5% premium charge.

11. Can I withdraw from my policy?

Yes, you may withdraw from your policy, but it would be subject to surrender charges. You can partially withdraw a portion of the policy's account value with a minimum of Php 5,000. However, the remaining account value should be at least Php 10,000 after withdrawal. When you withdraw some of the account value, your Death Benefit will decrease by 125% of the Partial Withdrawal amount. Surrender charges only apply up to the 7th policy year. Withdrawals from top-ups are exempt from surrender charges.

Frequently Asked Questions

12. Where can I track my policy?

It is easy to manage and track your FWD insurance plans through Omne by FWD and Customer Portal. You may view your policy details, monitor your investments and pay your premiums online.

13. Can I customize my plan?

Yes! You can customize it in a variety of ways to meet your needs. You have the flexibility to determine the percentage for your benefit amount and investment, depending on your goals or life stage. For example, you can choose to have a higher benefit amount for your young children, or a lower benefit amount and higher investment because you don't have dependents, or your kids are all grown up. Your plan comes with a pre-attached accident and waiver of premium add-ons. You can also add critical illness, hospitalization, and life add-on benefits depending on your unique needs. SmartStart Lite comes pre-attached with critical illness benefit.
